forwards ~~words~~ records on the subject with a report recommending that 4/5th of the pension may be paid to Sultan Bee & the other 1/5th to Hasham Khan.

14 As already pointed out in para 1 supra, there are two stipends against the name of Rasoolkhan aggregating to Rs 4 & odd. ~~The~~ Sultan Bee says that her husband was drawing Rs-4 & odd. - vide her petition dy 17-5-26 ~~from the Collector~~ It is evident from the P.H.D that the deceased was drawing a pension of Rs. 3-9-5 and there is no reference to the other pension of 0-10-

15. Hasham Khan, the petitioner, is the son of the deceased by his first wife. He denies that Sultan Bee is the legally wedded wife of the deceased. Sultan Bee says that she is the legal wife of Rasoolkhan and the Dy: Comr agree with the S. D. O. ~~in~~ who holds that she is the legally wedded wife of the late Rasoolkhan. There are also married daughters of the deceased. It is not definitely stated whether Rasool Khan has left behind any brothers. In the Mahazar dy 13/7/1926, it is stated that no brothers of the deceased are "here". "~~2~~ 2 ~~are~~" Sultan Bee has four sons

16. The Dc. recommends that 4/5th of the pension of the deceased Rasool Khan be given to Sultan Bee & 1/5th to Hasham Khan.

1) This is a case relating to the disposal of the stipend held by one Rasoolkhan of Rs.3-9-5 (vide item 2 in the list flagged Z), one of the Sarjapur Jahgir stipend holders, who is reported to have died on 13-5-1926.

2) Two claims to the stipend of the deceased have been put up. One of them is by Hasham Khan, son of Rasool Khan by his first wife. The other is Sultan Bee, wife of the deceased. It is said Sultan Bee was a Bedar woman by birth (Hindu), but when she was about 12 years old, she became a convert to Mohamedan and her "nika" with Rasool Khan was regarded as legal marriage. She has 4 sons and five daughters. The Deputy Commissioner, Mr. Syed Taj Peeran, recommends that 1/5 of the stipend of the deceased be granted to Hasham Khan and the remaining 4/5 to Sultan Bee. The point for legal opinion is, in what proportion the pension is to be distributed between Hasham Khan, son of Rasool Khan by the first wife and Sultan Bee, the second wife and her 4 sons and five daughters.

Therefore each son gets 1/5 of 2/3 of 7/8 and each daughter 1/5 x 1/3x7/8. i.e. each son gets 7/60. One share 7/60 may be given to Hasham Khan, the rest may be given to the wife and her four sons and 5 daughters, 53/60. [See Mahammedan Law by Mulla (6th Edn) page 40].

The Financial Secretary to the Government of Mysore,

Honoured Sir,

I most humbly and respectfully beg leave to represent the following facts to your honour's judicious and kind considerations, against the orders passed by the Deputy Commissioner of Kolar District in connection with the pension of Sharjapur Jagir. I trust that your honour would be kind enough to go through the previous records in this matter and pass favourable orders.

After the death of my father, Rasool Khan, the pensioner of Sharjapur Jagir, I had submitted two applications, bearing Nos. 65/28-6-26 and 69/24-8-26 to the Deputy Commissioner of Kolar District and two applications with Nos. 64/28-6-26 and 130/11-8-26 to your honour requesting sanction of payment of the pension of Sharjapur Jagir (which my fat-her Rasoolkan was receiving) to me being the eldest son of the eldest branch of the family. But on 17-10-26 the Amildar of Siddlaghatta Taluk informs me stating that he has received orders from the Deputy Commissioner of Kolar District with his No. 134/26-27 to the effect that out of the said pension 1/5 of it to be paid to me and 4/5th of it to be paid to my step-brothers.

2. My father, Rasoolkan had two wives one wedded wife and the other Kuduvali. Myself and my sister are the only childrer surviving children to my father from the wedded wife and four sons from the Kuduvali wife. My mother died 15 years ago and her

her dowry (Mohar) was Rs 1000/-.

3. My father had kept his Kuduvali wife, who was an woman of other caste, quite separate from the other members of the family and had given her property, got from his own earnings, for the maintenance of herself and her children. Thus he has drawn a line between the ancestral properties and the properties earned by him from his own earnings. Such being the case my step brothers have no right to claim any property or any share of the property which has come down from ancestors. To prove this allegation, I have herewith enclosed copy of a letter from my father to his Vakil at Sharjapur who was entrusted with the pension from the Jagir. In support of this Para 4 is specially stated below.

4. My father's grand father, Nizamuddin Khan also had two wives, one was the wedded wife and the other not wedded. He had from his wedded wife one son, Hasham Khan (My grand father) and one son Karim Khan from the other wife. After his death the pension in question was divided 4/5th to Hashamkhan (Wedded wife's son) 1/5th to Karimkhan (son from the other wife). After Hasham Khan's death, my father got the same pension. These decisions can be had from the connected records in your honour's office, Anekal Taluk Office and with the Vakil Bapu Rao, at Sharjapur.

5. Such being the facts, I most humbly pray that my father's pension from the Sharjapur Jagir may kindly be ordered to be paid to me being eldest son of the eldest branch of the family.

I beg to remain,
Honoured Sir,

Sir,

The amount of Sharjapur Jagir pension (I receive from Government) which is accumulated with you up-till-now and the amount of pension which you receive hereafte r should be remitted to my son Hashamkhan by money order whenever you receive letters from him. No one except my son Hashamkhan is entitled to re-receive this pension amount. In this connection you need not wait for any letters from me. According to the above instructions you should remit the pension amount to my son Hashamkhan by money order.

It was the understanding that during the life time of my uncle Kareem Khan, out of my Jagir pension a sum of eight annas should be paid to him every month and after his death, the same amount viz., 0-8-0 should be paid to my aunt (Karim Khan's wife)every month. But it is heard from my aunt that you have not paid the said amount to her up to this day. Neither you paid the amount to my aunt nor it was credited to my accounts. You should write to me what you have done with the said amount. Once more I write to you to pay eight annas to my aunt every month.

Sd. Maistry Rasool Khan.

SIR,

With reference to your Official Memorandum Nos:Fl.1061/S & A. and Fl.4345/S & A. dated the 9th August 1926 and 4th December 1926, respectively forwarding for report the petitions from H. Hasham Khan and Sultan Bee regarding the pension of the late Rasool Khan, Sarjapur Jahgir Stipend holder, I have the honor to state that from the records received with the Chikballapur Sub Divion Officer's memo No:S.4-C.246 ~~dated~~ of 26-27 dated the 27th January 1927, it is seen that Rasool Khan was drawing a Pension of Rs 3-9-5 per mensem and that he died on 14-5-1926 leaving behind him a son of Hasheem Khan (petitioner) and a daughter by his first wife Mohadeen Bee and Yusuff Khan and three other sons and five daughters by his second wife Sultan Bee the other petitioner.

2. Hasham Khan says that Sultan Bee is not the legally married wife of his father the late Rasool Khan and that consequently the sons of Sultan Bee are not entitled to any share in the Pension; while Sultan Bee says that she is also the wife of Rasool Khan and that the Pension drawn by her late husband may be ordered to be continued to her sons. The question regarding the legality or otherwise of the marriage of Sultan Bee with the late Rasool Khan has not yet been fully investigated. I am therefore returning the records tothe Sub Division Officer for necessary enquiry and report on the above point

SIR,

In continuation of this office letter No.C1-C.1497/26-27 dated the 16th February 1927 submitting an ad interim report on the claims of H. Hasam Khan and Sultan Bee for the Sarjapur stipend - pension of Rs 3-9-5 drawn by the late stipend Holder Rasool Khan, I have the honour to forward herewith the file of vernacular - - correspondence together with a copy of letter No.31-C.246/26-27 dated the 3/10th March 1927 received from the Sub Division Officer, Chickballapur, and to state as follows:-

2. The Sub Division Officer reports that he made enquiries in the matter and ascertained that Sultan Bee, one of the Petitioners was born as a Hindu (Bedar by caste), that she was about 12 years of age at the time of her conversion into Mahommedanism, that her - "Nika" with Rasool Khan (late stipend holder) took place about 50 years ago after her conversion into the Islamic Faith, that this version is corroborated by the wordings of a registered gift deed executed in her favour by her late husband Rasool Khan so far back as 14th November 1894, and that at this distance of time she - pleaded inability to produce any witnesses except the sole evidence of the gift deed, as the Khaji and the witnesses who were present at the time of her "Nika" are not now alive. He therefore opines that her marriage with Rasool Khan was legal according to - - Mahommedan Law, that she is also entitled to a portion of the - pension drawn by her late husband Rasool Khan and recommends that in future 4/5th of the pension may be paid to Sultan Bee second

Copy of letter No. Sl-C.246/26-27 dated 3rd March 1927, from the Sub Division Officer, Chickballapur, to the Deputy Commissioner, Kolar District.

=====

With reference to your Memo No.Cl.C.1497/26-27 dated 16th February 1927, forwarding records relating to the claims of certain persons for the Sarjapur stipend pension of Rs 3-9-5 and requesting me to report with my opinion after enquiry on the legality or otherwise of the marriage of Sultan Bee with Rasool Khan, late pensioner of the said Stipend, I have the honour to state that on enquiry the above-named Sultan Bee who appeared before me to-day says that she was born as a Hindu (Badar by caste) and that her age was about 12 years at the time of her conversion into Mahommadansim. It will be seen from her statement given before me which is enclosed in the records that her Nika with Rasool Khan was performed about 50 years ago after her conversion into the Islamic faith. I am strongly lead to believe this version is corroborated by the wordings of a registered Gift deed executed in her favour by her husband Rasool Khan so far back as 14-11-1894 (copy enclosed). The wordings of the gift deed referred to above are noted in the margin for you kind perusal. She has further stated that at this distance of time she cannot produce any witnesses except the sole documentary evidence of the Gift deed referred to above, as the Khaji and the witnesses who were present at the time of her Nika are not now alive. This is only natural as the event happened so long ago as fifty years. Considering the very liberal provisions of Mahomadan law on the subject of marriage and inheritence by children, I am of opinion that her marriage with Rasool Khan was of a legal one according to that law and that she is also entitled to a portion of amount out of the pension which Rasool Khan was getting, viz., Rs 3-9-5. I therefore recommend that in future 4/5th of the pension may be paid to Sulatan Bee as she has got four sons and five daughters and the remaining 1/5th may be given to Hasham Khan, first wife's son of Rasool Khan.

With regard to the payment of arrears of pension orders have been passed by you to make payment in this same proportion after taking the signature of both the parties on a single voucher. In this connection, I beg to point out that the arrears of pension has not yet been paid as Hasham Khan has purposely failed to appear before the Amildar and

SIR,

Subject:- Claim to the Sarjapur Jahgir pension of Rs 3-9-5 drawn by the late Rasool Khan.

==

With reference to correspondence ending with your letter No.Fl. - 1425/ S & A. 30-25-35 dated 18th August 1927, calling for additional information on the above subject, I have the honour to submit herewith the file of Vernacular correspondence received with the Chikballapur - Sub Division Officer's Memo No.N.Dis.Sl-C.357/27-28 dated 19th December 1927/2-1-1928 and to state as follows:-

2. It is seen from the above record that 4 sons and 3 daughters of Sultan Bee who are residing in Hireballa Village, Sidlaghatta Taluk, have, in their statements before the Amildar on 22-9-27 and 24-11-27, prayed for the payment of pension due to their shares to their mother - Sultan Bee untill her life-time. Sultan Bee has stated (Vide her - statement before the Amildar on 22-9-27) that her second daughter - Aziz Bee being a widow is residing with her and has prayed that the share of the pension due to her along with those of her sons and other daughters might be arranged to be paid to her.

Hasham Khan son of the late Rasool Khan by the 1st wife has - expressed (Vide his statement given before the Deputy Amildar of Kumsi on 12-11-27) his unwillingness to accept the capitalized payment as the pension drawn by his late father is a hereditary one. He has

has also for reasons explained in his statement urged for the - payment to him of the entire amount of the pension to the - - exclusion of Sultan Bee and her children.

The statements of Amira Bee and her name-sake, daughters of the 1st and 2nd wives of the late Rasool Khan, have not been - obtained as they are ascertained to be living in Hosakote - - (Bangalore District) and Kolar Taluks respectively.

3. The statements of the 4 sons and 3 daughters of Sultan Bee are not definite. The expression "Capitalized value" ~~does~~ does not - appear to have been properly explained to the sons and daughters of Sultan Bee and their wishes specifically recorded in their - statements. At any rate, it may be inferred that the heirs of the deceased stipend-holder have been urging for the monthly - pension only. As most of the claimants are not in favour of - accepting the capitalized payment of the pension there does not appear to be any necessity to ascertain the wishes of the above mentioned two daughters of the deceased pensioner.

As regards the contention of Hasham Khan that Sultan Bee and her children are not entitled to any share in the pension etc., it has already been reported in this office letter No.C1-C.1497/26-27 dated 1-3-27 that the marriage of Sultan Bee with Rasool Khan, the late pensioner, was legal according to Mohamadan Law.

4. The opinion as to the apportionment of the vacant pension was already furnished viz. that 4/5ths of the pension might be paid to - Sultan Bee as she has got 4 sons and 3 daughters and that the - - remaining 1/5th to Hasham Khan son of the 1st wife of the late - Rasool Khan.

I have the honour to be,
